

# 2020 Virtual Week of Caring

## Monday: Join Our Mission

**Our United Way is running our 2020 Campaign under the message of "Now More Than Ever." We have found ourselves in a time that we know our communities need us and our support *now more than ever*, which means we need YOU *now more than ever*. We need you to join our mission to fight for the health, education and financial stability of every person in our communities. We need YOU to help us spread caring power across our communities... *now more than ever!***
