

WHY UNITED WAY SUPPORT MATTERS

“Funds from United Way help us first and foremost serve our girls who need the Girl Scout Leadership Experience most through Financial Assistance. These funds support girls’ access to Girl Scouting including programmatic offerings like summer camp. This support helps us give all girls who want to join Girl Scouts, the opportunity to!”

**Jessica Graser, Grants and Foundations Manager
Girl Scouts of Wisconsin—Badgerland**

“United Way grant support means that families develop peer to peer support through Parent Cafés, which strengthens our communities. 4-C continues to be thankful for the partnership with the United Way.”

**Jody Bartnick, Executive Director
Community Coordinated Childcare
(4-C)**

“With the support of the United Way, we are able to keep program costs affordable to all youth in the community and offer unique programs for kids on a daily basis.”

**Alicia Norris,
Executive Director
BASE Fort Atkinson**

“Without the generosity of United Way, we would be unable to offer the spectrum of services without any charges to those we serve. There is no waiting list at our agency because we have the liberty of operating two offices in two separate locations to serve those in need. We appreciate United Way for the consistent support and financial assistance we continue to receive. Thank you for standing in our corner.”

**Suzi Schoenhoft, Executive Director
New Beginnings APFV**

“With additional challenges and changes for the people in our community, I believe we will all be leaning on supportive organizations like United Way more than ever. I am so grateful for all the people that work together to make that happen.”

**Teresa Brawders, Director
Small World Preschool**

“The [United Way] grant is a vital part of our support. It goes beyond the dollars given. The partnership with United Way helps to build a bridge to the community, helps to show we are a strong and viable organization and helps to spread the word about our programs.”

**Pam Carper, Executive Director
Big Brothers Big Sisters of South Central WI**

“United Way support is very important to keep us moving forward with funding that we know we can count on. Because individual donations fluctuate so much, it’s important to have organizational support that will help maintain a certain level of programming no matter what each year.”

**Deborah Blackwell, Executive Director
Studio 84**

“United Way grant support provides us additional resources to make sure students are able to participate in activities that further enhance their educational experiences.”

**Lisa Hollenberger, Director of Pupil Services
School District of Fort Atkinson**
