

Agency Partners,

To help better understand your programmatic challenges and any unique circumstances your organization has encountered this year because of COVID, we are adding this questionnaire as a required document in the grant application process.

United Way Jefferson &
North Walworth Counties

Your responses to these questions will help our community investment grant review teams and our board of directors better understand the changes your organization has experienced this year as it relates to financial stability, staffing, program delivery, outcome measurements, etc.

Please complete this form and attach it as a pdf under “Section 10 – Attachments” of your online United Way grant application. Answers should be typed.

Agency Name:

1. Did your organization experience any closures during 2020 because of COVID? If yes, please provide further details.

2. What adjustments have you made to your programs/services as a result of COVID impacts and/or the shift in community needs?

3. Did your organization experience a loss in revenue and/or unplanned increase in expense during 2020 because of COVID? If so, please detail that information below. Please also note any planned losses/increased expenses for 2021.

4. What long-term changes is your organization looking at making to account for the COVID impact on your clients and our communities? Specifically, what can your organization do to address those critical needs magnified by COVID?

5. We understand that agencies and programs are facing unique challenges this year. Please share any additional specific information you would like us to know as we consider your grant application. Please feel free to also share any meaningful stories or positive changes that have impacted your organization and your clients during this time.
